PROFILE

Ambitious Second Year Software Engineering student at Coventry University. Experienced in Python and JavaScript with a passion for problem-solving and full-stack development. Seeking a 12-month industrial placement to apply academic skills to real-world commercial projects.

EDUCATION

| | |
|---|-------------------------------|
| Coventry University | Coventry, UK |
| <i>BSc (Hons) Software Engineering</i> | <i>Sept. 2024 – Present</i> |
| Sidney Stringer Academy Sixth Form | Coventry, UK |
| <i>A Levels: Maths, Computer Science, Psychology</i> | <i>Sept. 2022 – Aug. 2024</i> |
| Sidney Stringer Academy | Coventry, UK |
| <i>GCSEs: Mathematics, English, Physics, Chemistry, Biology, History, French, Further Maths</i> | <i>Sept. 2017 – July 2022</i> |

TECHNICAL SKILLS

Languages: Python, JavaScript, Java, SQL, HTML5, CSS3

Tools & IDEs: Git, GitHub, VS Code, IntelliJ IDEA, MS Office Suite

PROJECTS

Full-Stack Pet Adoption Platform | *HTML, CSS, JS, SQL*

- Developed a dynamic web application connecting animal shelters with potential adopters, utilizing a relational database.
- Implemented **Role-Based Access Control (RBAC)** to dynamically adjust the UI and features based on whether the user logged in as an 'Adopter' or 'Shelter'.
- Engineered secure authentication and session management to protect user data and manage pet profiles.

Vending Machine Simulation (Year 1 Project) | *Python*

- Designed a console-based application to simulate real-world vending machine logic, including product selection and stock management.
- Utilised robust error handling to validate user input and prevent crashes during invalid transactions.

WORK EXPERIENCE

| | |
|---|----------------------|
| Cover Teacher / Supervisor | Sept. 2025 – Present |
| <i>Twenty4Seven Education</i> | <i>Coventry, UK</i> |
| <ul style="list-style-type: none">Leadership: Independently manage classrooms of 30+ students, delivering lessons and ensuring learning objectives are met without immediate supervision.Communication: Adapt complex information into clear, understandable instructions for diverse age groups—a transferable skill for explaining technical concepts to non-technical stakeholders.Resilience: Maintain discipline and engagement in a challenging, fast-paced environment. | |
| | |

| | |
|-------------------------|---------------------|
| Programme Seller | Jan. 2025 – Present |
| <i>CBS Arena</i> | <i>Coventry, UK</i> |

- Reliability:** Consistently entrusted to handle cash and card transactions accurately during high-volume sporting and music events.
